## BIOGRAPHY

I'm a sinner, saved by grace. I've been called by God to lead, shepherd, and devote myself to the building up of those who serve in ministry alongside me. Specifically, through communications, technology, and creative arts, God has called me to minister to his people and those that are yet His through the talents and skills He has equipped me with. I've devoted my time and energy in continuing to learn and gain insight into the tools that provide relevant ways to communicate the love of Christ and the work of the Church. I'm a father to the most amazing, creative, and sassy little princess. She keeps me young and on my toes...but I wouldn't change it for the world. When not enjoying music, whether playing, writing, or recording, I can be found cheering on the Oklahoma Sooners, trying my best at golf, fishing (but not often catching), or soaking up a binge-able show on TV.
